

March 7, 1978

LB700A, 202, 733,
923, 924, 665

PRESIDENT: The Legislature will please come to order. Record your presence.

CLERK: Mr. President, Senator Hefner and F. Lewis would like to be excused until they arrive. Mr. President, Senator Warner would like to be excused until he returns this afternoon.

PRESIDENT: Have you all recorded your presence? Record Mr. Clerk.

CLERK: Quorum present Mr. President. New bill 700A introduced by Senator Carsten. Read bill.

Mr. President, Mr. Rasmussen asks unanimous consent to print amendments to LB 202.

Mr. President, your committee on Appropriations, Chairman Senator Warner, to whom referred LB 733 instructs me to report the same back to the Legislature with the recommendation that it be advanced to General File with amendments. LB 923 advanced to General File. LB 924 advanced to General File with amendments.

PRESIDENT: We only consumed a half an hour on our Select File this morning. So we will take up LB 665 for 90 minutes, well, for the two bills not to exceed 90 minutes.

CLERK: Mr. President, LB 665. The E & R amendments were adopted this morning. The first amendment I have.....Mr. President, Senator Chambers, you had a lay over motion. Did you want to take that up? 665, lay over. You put it on yesterday.

Mr. President, the first motion that I have then is offered by Senator Chambers, it is to amend LB 665. Read amendment. Amendment appears on page 945 of the Legislative Journal.

PRESIDENT: Senator Koch, did you wish to be recognized?

SENATOR KOCH: Mr. President, a point of order.

PRESIDENT: Yes.

SENATOR KOCH: I think in fairness to the body, since we passed over several bills this morning, and we were on General File that I think we should proceed to General File and then spend the last 90 minutes of this session on those that we passed over.

PRESIDENT: Well, that is not a matter of order. I think that is a matter of the Speaker's order.

SENATOR KOCH: Well I think that it is a matter of equity though for the membership who sits here and tries to do some planning in terms of what is next.

PRESIDENT: Well, Senator Koch, the Speaker has charge of the traffic in here. I have charge of the order.

SENATOR KOCH: Well, Mr. President, I would direct my remarks then to the Speaker.

PRESIDENT: All right, thank you.
